

Marie Curie Fields of Hope In Surrey Heath

Bunch of Bulbs Order Form

In the Autumn of 2015 the Camberley Fundraising Group for Marie Curie will plant two Fields of Hope in Surrey Heath - one in Frimley Lodge Park, near to the existing Memory Tree reflective area, and one in the grounds of St Anne's in Bagshot.

A Bunch of Bulbs* will be planted on your behalf within your chosen Field of Hope. You are welcome to attend the planting day in the Autumn - we will notify you by email and social media of the date.

Every £20 we raise through our Field of Hope scheme will pay for an hour of end-of-life care for someone in their last few days - offering support to the whole family at the worst time imaginable. This care is available to anyone with a terminal diagnosis and is not limited to cancer patients. Thank you so much for your support.
